I passed my preliminary exams.

Please rate the ChBE Program's effectiveness in preparing you to be a proactive problem solver.

This isn't the fault of the ChBE program, but I'm definitely more reactive than proactive.

Please rate the ChBE Program's effectiveness in preparing you to pursue lifelong learning.

I went to grad school. So far, that's lifelong.

Please rate the ChBE Program's effectiveness in preparing you to be an effective communicator.

I write well but I speak and present poorly.

Again, it's hard to say whether those facts have anything to do with the ChBE program.

Please rate the ChBE Program's effectiveness in preparing you to be effective team members.

I've been on both effective and ineffective teams since graduating. In both cases, though, I was an effective team member. I've never learned how to compensate for the ineffective ones, though.

Please rate the ChBE Program's effectiveness in preparing you to be a highly ethical engineering professional.

Hard to say. I've never been an engineering professional.
