

Response Thresholds: Process

***Department of Chemical and Biological Engineering
Montana State University - Bozeman***

1. The CHBE Department Head developed a proposed set of Response Thresholds for the various assessment tools.
2. The proposed set of Response Thresholds will be reviewed/modified by the CHBE faculty in 2008.
3. Once approved by the CHBE faculty, the proposed set of Response Thresholds will serve as an interim set of thresholds until reviewed by the DAC in 2009.
4. The proposed set of Response Thresholds will be reviewed by the CHBE DAC in 2009 and resubmitted to the CHBE faculty.
5. Once approved by the CHBE faculty, the Response Thresholds will be adopted.
